Crepain Binst Architecture Luc Binst

Crepain Binst Architecture celebrates its tenth birthday with an atypical but impressive book that's an overview of the last decade. It's a mission statement for the future - by the agency but also by the architecture itself.

Everything is architecture. 24/7, discipline determines our lives. That's the message Luc Binst, the CEO of Crepain Binst Architecture, wants to share with the world, with Crepain Binst Architecture X05 24/24. In 2005, he started his own agency, together with Jo Crepain. Ten years and as many as 550 (!) projects later, Luc looks back and ahead with a 'state of the union' of architecture. He focuses on themes such as durability and interdisciplinarity.

Text in English and Dutch.
