Raised by Wolves: The Story of Christian Rock & Roll

John J. Thompson

Raised by Wolves: The Story of Christian Rock & Roll John J. Thompson

An insider's look at the birth, evolution, and growing popularity of Christian rock music. As the counter-cultural movements of the sixties gathered steam, one of its first splinter groups was the Jesus freaks. In addition to culturally hip pastors, the scene produced a handful of musicians who brazenly coupled rock & roll music with lyrics that reflected a Christian world - view and often became an outright evangelistic tool. Jesus music was born. *Raised By Wolves* is about this music. It traces the birth and growth of a genre that has married seeming opposites - Jesus and rock & roll - for 30 years. John J. Thompson looks at the social conditions in which this music developed and how it has been evolving in North America since the Jesus Movement of the sixties, including a look at contemporary Christian rock. He also looks at the artists behind this music, including groups like dc Talk, The Supertones, and crossover artists such as Jars of Clay, MxPx, and Sixpence None the Richer. These are the real rebels of rock & roll who live on the fringes in an underground Christian culture. One group, Sixpence None the Richer, recently scored two international hits with "Kiss Me" and "There She Goes." The band's self-titled album has also stormed the charts after seven years underground. Which one of the thousands of bands will be next?

Do you sometimes have book but you rarely get what it's interesting features of. Oh come on, that would not happen if you have this in the hand. The Enjoyable agreement here cannot be questionable, similar to treasuring beautiful island. Use you still want to miss it? Find this book and also read it from at this point!

Maryellen Tilley:

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this *Raised by Wolves: The Story of Christian Rock & Roll* can make you really feel more interested to read.

Nicholas Thiede:

What is your hobby? Have you heard that question when you got scholars? We believe that that question was given by teacher for their students. Many kinds of hobby, All people has different hobby. And you know that little person similar to reading or as examining become their hobby. You need to know that reading is very important as well as book as to be the thing. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You discover good news or update concerning something by book. Numerous

books that can you decide to try be your object. One of them is this Raised by Wolves: The Story of Christian Rock & Roll.
