Hermain Cain offers a way forward for those who seek to lead America back to its rightful place of strength, and for those members of the public who would like to be part of the solution.

The problems that need attention in the United States aren't new, nor are their solutions. Yet the political establishment neither understands these problems nor desires to address them. Only informed and courageous leadership can change that.

In *The Right Problems*, Herman Cain shows how we can overcome the ignorance that has spread throughout our country, and describes what an informed and courageous leader should look like as we elect a new president in 2016.
