This Way: Gnosis Without "Gnosticism" Jeremy Puma

Beginning with the premise that modern so-called "Gnostic" organizations are actually products of the 19th Century Occultist and New Age movements, "This Way: Gnosis Without "Gnosticism"" embraces the most recent scholarship which concludes that there was no ancient "Gnosticism." Consequently, modern organizations which refer to themselves as "Gnosticism" are in no way related to ancient heretical sects in historical reality, but are, instead, entirely modern creations. As a response, "This Way: Gnosis Without "Gnosticism"" presents an applied spirituality based on the writings found in the Nag Hammadi Library and Zen Buddhism, for people interested in a simple, mature approach to gnosis that doesn't rely on unprovable claims of apostolic succession or New Age neo-Templar silliness, but instead acknowledges the limitations of the material. If you are looking for a context for a modern approach to gnosis that can be practiced by anyone, alone or within an extant organization "This Way: Gnosis Without "Gnosticism"" is the book for you.

From reader reviews:

Alfred Wolff:

Book is to be different per grade. Book for children till adult are different content. As we know that book is very important for people. The book This Way: Gnosis Without "Gnosticism" was making you to know about other expertise and of course you can take more information. It doesn't matter what advantages for you. The e-book This Way: Gnosis Without "Gnosticism" is not only giving you a lot more new information but also to become your friend when you sense bored. You can spend your own spend time to read your publication. Try to make relationship with all the book This Way: Gnosis Without "Gnosticism". You never experience lose out for everything in the event you read some books.

Sharon Lopez:

Nowadays reading books be a little more than want or need but also get a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The information you get based on what kind of reserve you read, if you want get more knowledge just go with schooling books but if you want truly feel happy read one together with theme for entertaining including comic or novel. The This Way: Gnosis Without "Gnosticism" is kind of publication which is giving the reader erratic experience.

Louise Fulghum:

This This Way: Gnosis Without "Gnosticism" is great e-book for you because the content which can be full of information for you who else always deal with world and still have to make decision every minute. This specific book reveal it information accurately using great manage word or we can say no rambling sentences inside. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but hard core information with splendid delivering sentences. Having This Way: Gnosis Without "Gnosticism" in your hand like obtaining the world in your arm, information in it is not ridiculous one. We can say that no guide that offer you world throughout ten or fifteen small right but this publication already do that. So , it is good reading book. Hey there Mr. and Mrs. busy do you still doubt in which?

Esther Cunningham:

Is it anyone who having spare time in that case spend it whole day by means of watching television programs or just laying on the bed? Do you need something totally new? This This Way: Gnosis Without "Gnosticism" can be the response, oh how comes? The new book you know. You are thus out of date, spending your free time by reading in this fresh era is common not a nerd activity. So what these books have than the others?
