Unhinge the Universe Aleksandr Voinov, L. A. Witt

December 1944 – The Battle of the Bulge SS Lieutenant Hagen Friedrichs is the sole survivor of a party sent to retrieve his brother—and the highly sensitive information he’s carrying—from behind enemy lines. But his daring rescue attempt fails, and Hagen becomes the prisoner. Allied command has ordered Captain John Nicholls to extract critical intelligence from their new Nazi POW. His secrets could turn the tide of the war, but are they real? John is determined to find out . . . and to shatter the prisoner who killed his lover during the attack on their tiny base. The deeper he digs, though, the more he realizes that the soldier under the SS uniform is just like him: a scared, exhausted young man who’s lost loved ones and just wants to go home. As captor and captive form an unexpected bond, the lines quickly blur between enemy, friend, and lover. And as horrifying rumors spread from the front lines and American soldiers turn their sights on the SS for vengeance, John may be Hagen’s only hope for survival. This 75,000 word novel was previously published.
