What's weird around here? That's a question Mark Moran and Mark Scurman have asked themselves for years. And it's exactly their offbeat sense of curiosity that led the duo to create the phenomenal *Weird N.J.* and the successful series that followed. What's NOT shockingly odd here: every Weird book has become a bestseller in its region.

Now the weirdness is finally in paperback for the first time! Six titles—including *Weird U.S.*, which covers all 50 states—will reach a fresh audience eager to get these cool collections at a more popular price and smaller size. Plus, there's an exciting brand-new volume, covering the wonderfully weird state of Louisiana.
