Different crystals have power over different aspects of our lives. But which crystal will work best for your specific needs? Ask the crystals themselves! Those who follow these simple instructions will break the “crystal code,” to discover eight unique crystals for eight aspects of life: personality, money, relaxation, healing, love life, success, protection, and meditation. Each chapter has three sections: how to choose the right crystal, how to interpret the choice, and what rituals and exercises to do for maximizing the crystal’s power. A special final chapter shows how to bring the eight chosen crystals together into a uniquely personalized mandala.
