#### **Marcella Cook:**

As a student exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's spirit or real their passion. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach

Chinese's country. Therefore this A Growing Problem: Pesticides and the Third World Poor can make you really feel more interested to read.
