SharePoint 2010 Fundamentals & Administration: Interactive Training Course (CBT) Andre Abramenko, Duke Nickolas

The SharePoint 2010 Fundamentals and Administration interactive training DVD-ROM provides a unique method of learning that allows you to see the steps, hear the explanations, and perform the tasks. Instructor demonstrations and hands-on labs ensure that you fully understand all subject matters. This training is intended for Administrators, Designers, Planners, Web Masters, and Managers.

We cover important fundamental topics before going into administration to help you understand SharePoint inside and out. You will learn SharePoint architecture, administer tools, best practices, web application and site collection management, search and user profiles administrations, backup and many other topics.

Best Way to Learn SharePoint Visually and Interactively

- **Watch it** - With large full screen demos you will not miss a click. Videos are available in different formats so you can copy them to portable devices.
- **Try it Yourself** - Save time and solidify your skills with a preconfigured SharePoint environment as you work through step by step hands-on labs.
- **Control Your Pace** - Start and stop at your convenience. You will not get bored as the training changes between presentations, demonstrations, and hands-on labs.
- **Learn From the Best in the Industry** - Since 2003 tens of thousands of professionals have used our interactive training to become experts in SharePoint. You will gain in-depth knowledge of SharePoint fundamentals, administration, best practices, and customization from our experienced instructors.
- **Stay Updated** - Don't be stuck with outdated techniques. You can download the latest training content from our website.
- **Search** - Easily search and find topics you are interested in.

Training Material Includes

- **11 hours** of recorded presentations and demonstrations
- **12 hours** of hands-on labs and exercises
- **Course workbook** (provided in electronic form) that can be printed for taking notes
- **Virtual SharePoint environment** preconfigured with all the software.
