Sueellen Ross is passionate about depicting animals that are dear to her.

??That passion shines through in her kitten paintings. She starts each one with a detailed graphite drawing, then uses India ink to fill in dark areas, watercolors to add color, and finally colored pencils to achieve texture and depth. The results are incredibly realistic works of art, in which cat lovers see the hearts and souls of their own dear companions.

??Just as kittens--whether purring contentedly or pouncing on a skittering leaf--evoke a warm response from their humans, the twelve paintings in this small calendar will charm any cat lover.
