A friend of mine stained his shirt just a few minutes, before addressing a public event. Instead of changing the shirt, he put on a nice jacket to hide the stain. The stain was hidden, but not eliminated. No amount of covering it up would remove it. This is the same with low self-esteem, self-limiting, and self-defeating dogmas. This book is a one-of-a-kind resource that identifies, confronts and then removes every stain, stigma, selfishness and self-sabotaging stress to success. As humans, we are more apt to rise above statistics, limits and stereotypes only when we know who and who's we are. Embracing our originality of thoughts and constructive action can never be maximized, until our return to the Source. God is our source. When God created the heavens and the earth, He rested and said all that He made was good. Yet, something was missing, you. So, He made you in the image and likeness of Himself. You weren't the afterthought, in creation. You were the consummation of creation. You were the art-piece of His awesome creative design, for greatness. The Designer's Original is an exceptional eye opener for you to focus on God's intent for your life and embrace your uniqueness for a purpose - His purpose and joy. This relates personal experiences, as well as real-life situations, to the context that God wants you to see yourself as you really are in Him: lovable, valuable, and competent. So often the world and our influences in childhood, like parents and role models poke holes in the bucket of our self-esteem. Statements like, "you will never amount to anything," often affect progress causing deeply held views. This book will help you re-program and peel away layers of self-destructive behaviors and thoughts. Very powerful, passionate, and articulate, appealing to the intellect and to the practical, Prophetess Kelly Crews' prolific message transcends cultures, boundaries, and denominations, emphasizing the eternal intent of the creator for His creation. This book will guide you into an in-depth understanding of your self-worth through God's lens. You will step above mediocrity and eliminate mundane thinking. Once you've removed the stained limitations, you will stand tall filling your spirit with more powerful and positive possibilities. This is a timeless book that will propel you to stand tall, eliminate mediocrity, inspire courage through adversity, and stretch you to attain extraordinary significance and success.
