This volume helps you make the first five books of the Old Testament a vital part of your spiritual reading and practical growth in the Christian life. It contains the full English and Latin texts of these books, along with extensive and faithfully Catholic commentaries. Like other volumes in the world-renowned Navarre Bible series, these commentaries draw on Church documents, the exegesis of Fathers and Doctors of the Church, and the works of contemporary spiritual writers — particularly St. Josemaría Escrivá, who initiated the Navarre Bible project.
