Do you love vampires? Then you'll love this book. Here you will find topics like: Are you a vampire? What's the difference between real living vampires and the vampires of legend? Psychic feeding for vampires, vampire quotes, vampire cults, online vampire groups and much more. There is a heavy focus on RLVs or Real Living Vampires, but the content here should be both entertaining and educational to any vampire fan. The following is a collection of articles that I've written over the years concerning various vampire topics. I have enjoyed both the myth and reality of vampires for most of my life, so now I'm sharing that with you. These articles were originally written for Associated Content or my vampire fan site The Vampire's Lair. I have compiled these articles within this book as a companion to the original We Are the Undead book, but it works well as a stand-alone volume. I hope you enjoy the articles and that you learn something new.
