Fabric Dyeing and Printing Kate Wells

This sourcebook shows over 35 techniques and applications in step-by-step detail from block printing, batik and tie-dyeing to devore, screen printing and computer-generated methods. Recipes are given for natural and chemical dyes, with information on the appropriate ingredients for each fabric. Aimed at designers with studio facilities and those people working at home, advice is given on how to equip your workspace. Close-up photographs of work from fabric designers complement the instructional element of the book.
