Hidden Affections Delia Parr

Betrayed by her husband, Annabelle Tyler wears the burden of legally being a divorcee, a difficult position for an upstanding young woman to find herself in. While attempting to start a new life for herself, an unexpected turn of events once again has Annabelle married--this time to Harrison Graymoor, the most eligible, yet elusive, bachelor in Philadelphia. Harrison assures her that he will secure an annulment immediately, unaware that the constable has sent word of the marriage to the press in Philadelphia. And here things continue to go awry. Harrison's past, a philanthropic cousin with his eye on Annabelle, and the appearance of Annabelle's ex-husband threaten the tentative relationship growing between Harrison and his "wife." For two individuals set against marriage, there are certainly a lot of second thoughts regarding the one forced upon them.
