Timothy Keller

Making Sense of God: An Invitation to the Skeptical Timothy Keller

We live in an age of skepticism. Our society places such faith in empirical reason, historical progress, and heartfelt emotion that it's easy to wonder: Why should anyone believe in Christianity? What role can faith and religion play in our modern lives?

In this thoughtful and inspiring new book, pastor and *New York Times* bestselling author Timothy Keller invites skeptics to consider that Christianity is more relevant now than ever. As human beings, we cannot live without meaning, satisfaction, freedom, identity, justice, and hope. Christianity provides us with unsurpassed resources to meet these needs. Written for both the ardent believer and the skeptic, *Making Sense of God* shines a light on the profound value and importance of Christianity in our lives.

From the Hardcover edition.

From reader reviews:

Claudia Weidner:

What do you think of book? It is just for students because they are still students or that for all people in the world, the actual best subject for that? Just simply you can be answered for that question above. Every person has different personality and hobby per other. Don't be pressured someone or something that they don't wish do that. You must know how great along with important the book Making Sense of God: An Invitation to the Skeptical. All type of book can you see on many sources. You can look for the internet methods or other social media.

Mattie Martin:

As people who live in the particular modest era should be update about what going on or info even knowledge to make these people keep up with the era which can be always change and move ahead. Some of you maybe will certainly update themselves by studying books. It is a good choice in your case but the problems coming to anyone is you don't know which one you should start with. This Making Sense of God: An Invitation to the Skeptical is our recommendation so you keep up with the world. Why, as this book serves what you want and want in this era.

Sanjuana Day:

Playing with family in a very park, coming to see the water world or hanging out with friends is thing that usually you may have done when you have spare time, subsequently why you don't try issue that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Making Sense of God: An Invitation to the Skeptical, you can enjoy both. It is great combination right, you still wish to miss it? What kind of hang type is it? Oh seriously its mind hangout fellas. What? Still don't get it, oh come on its named reading friends.

Joseph Mack:

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Making Sense of God: An Invitation to the Skeptical can make you really feel more interested to read.
