Ten Commandments Twice Removed

Danny Shelton, Shelley J. Quinn

Ten Commandments Twice Removed Danny Shelton, Shelley J. Quinn

A backlash of attention to the Ten Commandments--unleashed by recent U.S. court rulings--rallied Christians in defense of its public display. Amid the crescendo of concern, a lone voice vies for attention, "If you love Me, keep my commandments" (John 14:15).

Is our defense of the Ten Commandments triggered simply by a sentimental interest of Christian culture? Is it possible the Church stands before God as guilty as our government for discarding the Decalogue?

With unflinching conviction, the authors join their voices with great Christian leaders like Billy Graham, D. L. Moody, John Wesley, and Charles Spurgeon, to trumpet the truth-- God never revoked His Ten Commandments!

This book answers critical questions with compelling clarity and Bible evidence. Did the Ten Commandment exist before Mt. Sinai? Were they nailed to the cross? How do we de-mystify Paul's writings about the Law? Does man have authority to change God's law?
