The Other Bible

The Other Bible

Gathered here for the first time in one comprehensive volume are excerpted ancient holy texts from Judeo-Christian traditions that were excluded from the official canon of the Old and New Testaments. *The Other Bible* is a unique sourcebook of essential selections from Jewish Psudepigrapha, early Kabbalah, Haggadah, Midrash, Christian Apocrypha, and Gnostic scriptures.

The Other Bible provides a rare opportunity to discover the poetic and narrative riches of this long-suppressed literature and experience firsthand its visionary discourses on the nature of God, humanity, the spiritual life, the world around us, and infinite worlds beyond this one.
