Grandmother's Wonderful Wisdom A Journal Of Love And Good Sense Karen Davis Hill

A grandmother is a fount of wisdom, and younger generations often miss out on this special wisdom. In this journal, Karen Hill provides an opportunity for passing that insight for living from one generation to the next by setting the stage for grandmothers to share their stories. Simple axioms for living like "If you jump on the bandwagon, make sure you know where it's headed" and a brief explanation lead the writer (the grandmother) to journal about her life experiences, to recall stories long passed. When the journal is complete, it can be a most personal gift for her grandchildren to help guide their paths. . . even when she is gone.
