IAN EVERETT, JOHN SALTER, ROBIN SMYTHE

The International Book of Dyslexia: A Guide to Practice and Resources IAN EVERETT, JOHN SALTER, ROBIN SMYTHE

In the most extensive and wide-ranging book currently available, contributors have been gathered from all over the world to report on the current, global state of dyslexia research and practice.

In this volume, top researchers in the field describe specific difficulties in over 15 different languages, revealing that dyslexia relates not just to cognitive strengths and weaknesses, but also to the language and script in question.

In addition, readers can access an electronic supplement in which individuals, institutions and organisations from around the world report on policies, resources and training for people with dyslexia and those who work with them. Over 50 countries are included, together with details of all known dyslexia associations and resources.

This unique collection will be of interest to researchers, practitioners and policy makers. It also offers a wealth of information to those parents, teachers and individuals who are seeking support.

The electronic supplement to this volume is also available to purchase separately in paperback from your bookshop or from John Wiley & Sons Ltd. *The International Book of Dyslexia: A Guide to Practice and Resources*, ISBN 0470496464

From reader reviews:

Irene Parker:

Nowadays reading books be a little more than want or need but also become a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The info you get based on what kind of guide you read, if you want have more knowledge just go with training books but if you want sense happy read one using theme for entertaining for instance comic or novel. Often the The International Book of Dyslexia: A Guide to Practice and Resources is kind of guide which is giving the reader unstable experience.

Robert Poulin:

Information is provisions for people to get better life, information nowadays can get by anyone in everywhere. The information can be a expertise or any news even a huge concern. What people must be consider while those information which is inside the former life are challenging to be find than now is taking seriously which one works to believe or which one the resource are convinced. If you obtain the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen throughout you if you take The International Book of Dyslexia: A Guide to Practice and Resources as your daily resource information.

Teresa White:

Beside this kind of The International Book of Dyslexia: A Guide to Practice and Resources in your phone, it can give you a way to get more close to the new knowledge or data. The information and the knowledge you are going to got here is fresh through the oven so don't end up being worry if you feel like an older people live in narrow village.
