## **Mitsubishi A6M Zero (Yellow Series)** Artur Juszczak

The illustrated technical history of the most famous Japanese warplane of World War Two. The different versions of the plane, from the 1940 prototypes to the final aircraft of 1945 are described and illustrated; all the changes in specification, equipment and performance are recorded. Drawings and data from the original technical manuals, full dimensional details and photographs of surviving examples preserved in aviation museums illustrate all aspects of the airframe, inside and out. Wartime photographs and many pages of color illustrations complete the book's comprehensive coverage. More than 30 color profiles.

Profusely illustrated with photos, including a comprehensive walk-around section showing all aspects of the airframe, and diagrams from official manuals. Includes 1/72nd and 1/48th scale plans, and color profiles showing many of the colorful schemes applied to the ZERO by its users.
