Old Age: A Beginner's Guide Michael Kinsley

***Vanity Fair* columnist Michael Kinsley escorts his fellow Boomers through the door marked "Exit."**

The notorious baby boomers—the largest age cohort in history—are approaching the end and starting to plan their final moves in the game of life. Now they are asking: What was *that* all about? Was it about acquiring things or changing the world? Was it about keeping all your marbles? Or is the only thing that counts after you're gone the reputation you leave behind?

In this series of essays, Michael Kinsley uses his own battle with Parkinson's disease to unearth answers to questions we are all at some time forced to confront. "Sometimes," he writes, "I feel like a scout from my generation, sent out ahead to experience in my fifties what even the healthiest Boomers are going to experience in their sixties, seventies, or eighties."

This surprisingly cheerful book is at once a fresh assessment of a generation and a frequently funny account of one man's journey toward the finish line. "The least misfortune can do to make up for itself is to be interesting," he writes. "Parkinson's disease has fulfilled that obligation."

From reader reviews:

Leticia Brewster:

In this era globalization it is important to someone to get information. The information will make a professional understand the condition of the world. The health of the world makes the information much easier to share. You can find a lot of referrals to get information example: internet, classifieds, book, and soon. You can see that now, a lot of publisher that will print many kinds of book. The actual book that recommended for you is Old Age: A Beginner's Guide this book consist a lot of the information of the condition of this world now. This particular book was represented so why is the world has grown up. The terminology styles that writer make usage of to explain it is easy to understand. The writer made some exploration when he makes this book. Here is why this book ideal all of you.

Tommie Matthews:

Is it you actually who having spare time then spend it whole day by simply watching television programs or just laying on the bed? Do you need something new? This Old Age: A Beginner's Guide can be the answer, oh how comes? A book you know. You are so out of date, spending your spare time by reading in this brand-new era is common not a nerd activity. So what these ebooks have than the others?

Betty Bobbitt:

Do you like reading a reserve? Confuse to looking for your favorite book? Or your book ended up being rare? Why so many question for the book? But just about any people feel that they enjoy for reading. Some people likes examining, not only science book but also novel and Old Age: A Beginner's Guide or maybe others sources were given expertise for you. After you know how the fantastic a book, you feel desire to read more and more. Science book was created for teacher or perhaps students especially. Those books are helping them to increase their knowledge. In different case, beside science reserve, any other book likes Old Age: A Beginner's Guide to make your spare time a lot more colorful. Many types of book like this one.

Mary Ruch:

Reading a reserve make you to get more knowledge from the jawhorse. You can take knowledge and information originating from a book. Book is prepared or printed or descriptive from each source which filled update of news. On this modern era like currently, many ways to get information are available for a person. From media social similar to newspaper, magazines, science book, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Are you ready to spend your spare time to open your book? Or just seeking the Old Age: A Beginner's Guide when you needed it?
