Can a reformed player ever truly play by someone else's rules?

Sam Walsh has finally put an end to decades of self-destruction, turned over a healthy new leaf, and now he's ready to call himself a married man. But love and marriage are only the beginning, and life is about to get much more complicated.

Will tying the knot tie down a free spirit?

Tiel Desai never imagined herself getting married again, and before she can blink, she's swept up into the Walsh wedding whirlwind. If that chaos isn't enough, she's also busy winning over her future in-laws, grappling with a bumpy adjustment to her new job, and staying afloat when a string of disappointments hit.

They're building a future, but can they ever fully demolish the past?

Sam and Tiel beat back their demons and learned to love each other, but love might not be enough to solve every problem that crawls their way.
