The Dastard (Xanth, No. 24) Piers Anthony

Piers Anthony's comical chronicles of his enchanted realm of Xanth are among the most beloved fantasy series ever written, with millions of readers worldwide. Now, Anthony returns with an all-new adventure that blends high hilarity with super-scary suspense.

Many malevolent menaces have imperiled the magical land of Xanth in its long and storied history. But none has been as despicably dangerous as the Dastard. Once a common country boy, he sold his soul to a detestable demon for the power to erase events and rewrite history for his own devious ends. Now the entire future of Xanth is at the mercy of the Dastard's every whim.

But this depraved desperado underestimates the courage and cleverness of a young girl named Becka, who can transform herself into a fearsome dragon at the speed of thought. With the help of a colorful band of brave companions, Becka challenges the Dastard with the greatest magic of all - the power of the human heart.
