Being Dad: Father as a Picture of God's Grace Scott Keith

This book deals with the way fathers, and the subject of fatherhood, are treated in modern culture. Dr. Keith brings his experience with family, students, great mentors and friends to bear on this subject which is crying out for attention. Equally, he brings his Christian faith, a scholarly eye for detail and an ear for story along on the journey and works with the reader to navigate a path to a better country where the Father blesses His children and is honored.
