This 50plus page paperback is far more than a mere coloring book. Rather the power of the Gospel, and the Holy Spirit's comes through this book. I gave a friend with two children, (ages about 9 and 13, at the time). An early version of this book. Not only did both of them pray to begin, a relationship with our Lord, but the 13 year old girl really "ran with it" and invited 6 of her friends over to hear her read it. They all prayed as well. Later she thought of 2 more friends who also excepted Jesus as their savior. I was in the hospital a couple years ago in order to get some medications regulated. I took a couple copys of this book with me to show other patients, not only was it well recieved, but out of 7 days , i was there, 7 people either committed their lives to christ or re committed after straying. There are other similiar examples. You don't have to be a child to recieve from this book the people during that hospital stay included intelligent nursing students. Even if you know the lord i imagine you know someone who could bennifit from this. Make God bless you and your's ;
