Smoke, Sand, & Rubber

Mel Anthony

Smoke, Sand, & Rubber Mel Anthony

In this book lies a glimpse into the daring West Coast midget racers who led an early era in auto racing. Readers will learn how hazardous midget racing was in the beginning and how some were attracted to this risky business. Mel Anthony tells what it was like to start his first race in 1946. A select few accomplished drivers would go on to Indy: George Amick, Les Anderson, Bob Christie, Len Sutton, Shorty Templeman, Jack Turner, while the rest did not. In addition to the Indy drivers, cars driven by Chick Barbo, Bob Gregg, Allen Heath, Gordy Livingston, The Muir brothers, Don Olds, Paul Pold, Louie Sherman, Ernie Spalding, Cliff Spalding, and others have been restored, and some appear in vintage events today.

From reader reviews:

Lorretta Cox:

In this 21st millennium, people become competitive in each and every way. By being competitive now, people have to do something to make these individuals survive, being in the middle of the actual crowded place and notice by means of surrounding. One thing that sometimes many people have underestimated this for a while is reading. That's why, by reading a guide your ability to survive boost then having chance to stand up than other is high. For you personally who want to start reading a book, we give you this particular Smoke, Sand, & Rubber book as basic and daily reading book. Why, because this book is greater than just a book.

Michael Crew:

Your reading sixth sense will not betray you actually, why because this Smoke, Sand, & Rubber e-book written by well-known writer whose to say well how to make book which can be understood by anyone who have read the book. Written in good manner for you, dripping every idea and publishing skill only for eliminate your own hunger then you still question Smoke, Sand, & Rubber as good book not simply by the cover but also by the content. This is one guide that can break don't assess book by its deal with, so do you still needing a different sixth sense to pick this!?! Oh come on your reading sixth sense already said so why you have to listening to a different sixth sense.

Gary Campbell:

Are you kind of active person, only have 10 or perhaps 15 minute in your time to upgrading your mind expertise or thinking skill actually analytical thinking? Then you are receiving problem with the book compared to can satisfy your short space of time to read it because this time you only find e-book that need more time to be read. Smoke, Sand, & Rubber can be your answer since it can be read by you who have those short spare time problems.

Anna Hart:

Is it a person who having spare time subsequently spend it whole day by watching television programs or just lying on the bed? Do you need something new? This Smoke, Sand, & Rubber can be the response, oh how comes? It's a book you know. You are therefore out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these ebooks have than the others?
