The Birthing Chair: Push Past Pain & Release Purpose Cornelia A. Meeks

If you are one of many people who have experienced seasons of pressing trials, pain, and tragedy, you may have also questioned God in moments of insecurity, confusion, and controversy brought on by your experience. Maybe you wonder about the purpose of trials or why there is no end to cycle of pain. This book will help you to gain understanding of the mind of God concerning pain and purpose. In this book, the author vividly shares her personal tragedies and triumphs in career, marriage, and ministry through poetry, personal stories, and the word of God. She illustrates the principles of Ephesians 3, which establish that God is never powerless in any situation, but the release of His power is according to the power working within you. You will discover that because God is a sovereign power, nothing is accidental or off limits. He is allowed to place you into situations in order to work out a greater purpose, on purpose. Even when life turns ugly for you and people forsake you, God is causing all things to work together for purpose, on purpose. A strong, personal relationship with God, makes you a firsthand witness to the power of God catapulting you into your purpose. To help you to reignite the power that works within and strengthen your personal relationship with God, The final chapter of The Birthing Chair concludes with an inspiring 8 day devotional.
