Confessions of A Firework Angela Augirre

Confessions of a Firework is a work of heart. It is a wound I willingly re-open, page after page, hoping that it will assist in my own healing, but also with the hope that it will facilitate the personal and creative growth of whoever the reader may be. After each section you will find writing prompts inspired by my poems but also general enough to force the reader to ask themselves questions about things they may not have considered. Before you read it, I ask of you the same thing I ask of my students: to enter into this moment with me with an open heart and a willingness to grow. -Angela Aguirre
