MANIFESTO: A psychic in Los Angeles predicts the murder of a high level government official--identity unknown. Will Jonas, ex-LAPD homicide detective and now private investigator, tracks back 23 years, and uncovers a string of unsolved murders of governments officials spread across nine states. And now, California is about to become number ten, unless Will can stop the assassin, who already has his next victim in his sights. YOU REMEMBER YOU DIE: What to do when a granddaughter claims her grandfather was murdered a year ago? And what's her proof? Well, her grandmother told her so! Will Jonas, a retired homicide detective with the Los Angeles Police Department and now a private investigator, starts an investigation, and before you can say, "private eye," Will ties a mid-1950's killing directly to the grandfather. He also finds evidence that the grandfather really was murdered. But Will's biggest challenge comes when the mastermind behind these murders decides it's time to eliminate Will.
