Paul Chan: The Essential and Incomplete Sade for Sade's Sake

Paul Chan's monumental projection *Sade for Sade's Sake* takes the work of the notorious pornographer and philosopher, the Marquis de Sade (1740-1814), as a departure point for a nearly six-hour-long rhythmic study of bodily ecstasy and bodily repetition. Chan brilliantly renders the foremost quality of Sade's pornography--its fanatical appetite not just for the identifying of sexual possibilities, but for their enumeration and classification--as a rhythmic play of silhouetted bodies that fragment into parts, recombine and atomize, in a mechanized copulation poised between manic repetition and wild abandon. This artist's book brings together for the first time the drawings, writings, notes and fonts created during the production of *Sade for Sade's Sake*. It elaborates the full scope and thoughtfulness of the projection as a fascinating treatment of sex and eroticism, compulsion and joy, the social body and the sexual body.
