The Fall of Man (Zombie Apocalypse Series) (Volume 1) Jeff DeGordick

Mankind was wiped out in the blink of an eye. Hordes of mindless, flesh-hungry zombies ravaged the world and left a bloody trail of death and ashes in their wake. Sarah survived that nightmare eight years ago with her son who was born on that fateful day. Now as they struggle to eke out a living in the apocalyptic ruins of Virginia, they hear word of a safe haven in the next state over. A place where she'll no longer have to wonder if her son will live to see tomorrow. There's just one problem. Standing between them and paradise is over a hundred miles of more than just the undead. Cannibals, lunatics, and murderous bandits prowl the landscape, searching for their next victims. But facing an impossible journey, Sarah may just have the ace that they need to make it: an unexplainable and frightening power her son possesses that will either turn the tide and deliver them to salvation or bring about their destruction and leave them to join the ranks of the dead...
