In case you didn't get to meet him last time, Albert -- the little kid with the big ideas -- is back! In the second title in this well-reviewed series Albert takes on flux...and learns that time waits for no one. Everything is moving too fast and Albert wants it to stop. With a simple shout of "Stop!" Albert thinks he can control the flow of things big and small, important and insignificant. Finally, he can do the things he wants, when he wants. Or can he? As evening turns to night and night turns to dawn our vivacious young adventurer learns an important lesson. The Albert series provides an opportunity for loved ones to explore intriguing and thought provoking topics together. Both children and adults will enjoy being a part of Albert's second adventure.
