Success in math requires children to make connections between the real world and math concepts in order to solve problems. Successful problem solvers will be ready for the challenges of mathematics as they advance to more complex topics. The activities in this workbook are designed to help your children catch up, keep up, and get ahead. Best of all, they'll have lots of fun doing it! Some of the great features you'll find inside are:

Computation Station

Students get lots of opportunities to build their confidence in multiplication and division of two- and three-digit numbers by one- and two-digit numbers.

Fraction Subtraction

After developing a solid understanding of fractions, students learn to apply their subtraction skills to fractions.

Cash Crunch

Calculating the value of money provides practical practice in adding and subtracting decimals.

The Mighty Marlock

Guessing any weight is The Mighty Marlock's gig, but sometimes he guesses wrong. Students decide where Marlock goes astray, reinforcing their knowledge of standard and metric measurement.

Mystery Shape

Students use process of elimination with hints about sides, angles, and vertices, to find a mystery polygon or three-dimensional shape.

Give your child's confidence in math a boost with *4th Grade Basic Math Success*.
