Frantz Fanon: Conflicts and Feminisms

Denean T. Sharpley-Whiting

Frantz Fanon: Conflicts and Feminisms Denean T. Sharpley-Whiting

Frantz Fanon: Conflicts and Feminisms represents a bold examination of previous feminist criticisms of Fanon and argues that Fanon's writings on women and resistance provide the formative kernels of a liberating praxis for women existing under colonial and neocolonial oppression. Sharpley-Whiting skillfully brings together approaches from a broad range of academic fields, including critical race theory, literary and cultural criticism, and psychoanalysis as she assesses the relevance of Fanon's theories of oppression to a feminist politics of resistance.
