Love Like Hallelujah Lutishia Lovely

Lutishia Lovely returns to the Kingdom Citizens and Mount Progressive congregations, with updates, and sometimes upsets, on the lascivious lives of some scandalous saints.

With infidelity behind them, Tai's marriage to her pastor husband, King, is stronger than ever. Even when King's ex-lover, Tootie, comes back to town, Tai keeps her cool. That is until she hears that Tootie has a teenage son no one knew existed--a son who could be King's. Tootie isn't talking, and when she finally does, can she be believed? Tai doesn't think so and enlists the help of her best friend Vivian to find out the truth. What they find out, however, is more than either of them ever wanted to know.

Vivian must also deal with her husband's former assistant, a woman who believes that if it wasn't for Vivian, she would have been first lady of Kingdom Citizen's Christian Center. Now she's back to claim what's hers. Millicent's back also, just in time for the marriage of Hope and Cy, the man she thought she'd be married to by now. But she's not the only church member whose dream becomes a nightmare. What happens when love feels more like harried hell instead of hallelujah? There's only one way to find out...
