This handy log book allows weather watchers to record daily meteorological observations in as much or as little detail as they like. Weekly and monthly averages can be calculated and compared to the same period over a three-year span. Is this fall as wet as it seems? What was the hottest day of the year? Is it likely to freeze again, or should the roses be pruned now? Fascinating weather facts and photos are also included, along with extreme weather records and an explanation of weather forecasts.
