Army General Rick Lynch's life-lessons on the power of faith in action.

In trying times, where can we turn to find true strength and peace of mind? If you think God might be the answer, you're off to a pretty good start. But know this—believing is only step one. From his harrowing personal journey on the battlefields of Iraq to dealing with the everyday stresses of life at home, retired Army General Rick Lynch shares his thirty-plus years of experience that proved to him the power of faith in action.

Bolstered by history and backed by the Bible, *Work Hard, Pray Hard* explores seven steps that will put the true power of faith into action, in your life, every day. God is there to give hope to those who need it, peace to those who seek it, and fearlessness to those who desire it. History shows us proof of this all the time—moments when the un-healable are healed and the unwinnable is won. How is that possible? *Work Hard, Pray Hard* explains by sharing Lynch's lessons from the course of a lifetime in one, easy to read book—a book that he hopes will change your life for the better, the way faith itself changed him.
