Ariane Eldar

Ariane Eldar & The Great Vinyl Cover Romance: Chapter XII. From The Theater Of The Bloody Tongue Ariane Eldar

The original intention of "The Theater Theater Of The Bloody Tongue" was to create a webcomic interacting with other webcomics, presenting them as cameos and crossoverstories in short, lighthearted episodes, that would appeal to a larger audience then classic underground comics. Episode XII. goes back to the roots with the new 2017 season and concentrate more on art and story, creating an adventure comic in old underground tradition. Basic influences of our artist are George Metzger, Rand Holmes, Rick Griffin, David Sheridan, Greg Irons, Ed Badajos, Ralph Bakshi, Manfred Schmidt, Sole, Dister & Gotlieb, Druillet and Moebius. There wont be many references to current webcomics in the new episodes, as they are replaced by references to classic and psychedelic rock music and the counterculture. So if you did not read "The Theater Theater Of The Bloody Tongue" or any webcomics at all, give "The Great Vinyl Cover Romance" a try. The E-Comic contains all episodes from 10.12.16 to 10.09.17.
