This stunning collection of essays, speeches, and addresses presents a portrait of Nigeria as seen by one of the country's best public intellectual, scholar and diplomat, Ambassador Iyorwuese Hagher. The book captures in lucid prose and engaging erudition, a rich trove of information about Nigeria and its place in the new world order with brilliance, boldness, and provocation. Hagher weaves in his rich and varied service experience in public life to deliver a searing indictment of the Nigerian political class, as well as the world's unjust socio-economic order.
