Humility: The Beauty of Holiness (Classic Reprint) Andrew Murray

There are three great motives that urge us to humility. It becomes me as a creature, as a sinner, as a saint. The first we see in the heavenly hosts, in unfallen man, in Jesus as Son of Man. The second appeals to us in our fallen state, and points out the only way through which we can return to our right place as creatures. In the third we have the mystery of grace, which teaches us that, as we lose ourselves in the overwhelming greatness of redeeming love, humility becomes to us the consummation of everlasting blessedness and adoration. In our ordinary religious teaching, the second aspect has been too exclusively put in the foreground, so that some have even gone to the extreme of saying that we must keep sinning if we are indeed to keep humble. Others again have thought that the strength of self-condemnation is the secret of humility. (Typographical errors above are due to OCR software and don't occur in the book.)
