*The Bourbon Tasting Notebook* is an essential logbook for any bourbon enthusiast. With a record amount of bourbon whiskey aging in warehouses and visits to Kentucky's bourbon distilleries topping half a million annually, it is obvious that bourbon is enjoying unprecedented popularity. This logbook will give the bourbon lover the perfect way to track their samplings, with over 200 featured brands.

Authors Susan Reigler and Michael Veach sampled every brand featured, documenting the flavors, tastes and smells they experienced, along with the proof, age, type, style, mash bill, color, price, nose, taste, and finish for each bourbon, and full-color photos of each bottle for easy reference. They did not assign ratings, letting readers make their own determinations. The bourbons are also indexed by proof and style, along with a checklist so each person can keep track of what has been sampled and record his or her preferences.
