Daddy Issues Viv Love

Vivian McQueen is a counselor by day and Queen the Dominatrix by night. She finds her alter ego's submissives when women contact her for counseling. The clients enter her office to discuss their problems in hopes that they will find a way to reconcile their relationships. Vivian learns of the heartache that they have suffered, and Queen persuades her to introduce the women to Queen's dark side. Choking, torture, pain, and bondage are a fraction of her world. It often gets even hotter, steamier, and more dangerous than planned... Will a close encounter with death end Queen's world of bondage, or will it fuel her erotic desires even more?
