e-Commerce Law: Issues for Business John W. Bagby

This exciting new text, e-Commerce Law: Issues for Business, provides an understanding of the major legal issues confronting cyberspace and e-commerce. An integration of traditional law with the emerging law of cyberspace provides a unique perspective to help students see how and why business decision-makers may seek legal assistance before their transactions become irrevocably fixed or their actions become irreversible. This text utilizes court decisions, federal and state statutes, administrative rulings, the legal literature, and ethical issues relating to Internet Law to explain and demonstrate how e-commerce and the law relate to one another.
