Erring: A Postmodern A/Theology

Mark C. Taylor

Erring: A Postmodern A/Theology Mark C. Taylor

"*Erring* is a thoughtful, often brilliant attempt to describe and enact what remains of (and for) theology in the wake of deconstruction. Drawing on Hegel, Nietzsche, Derrida, and others, Mark Taylor extends—and goes well beyond—pioneering efforts. . . . The result is a major book, comprehensive and well-informed."—G. Douglas Atkins, *Philosophy and Literature*

"Many have felt the need for a study which would explicate in coherent and accessible fashion the principal tenets of deconstruction, with particular attention to their theological implications. This need the author has addressed in a most impressive manner. The book's effect upon contemporary discussion is apt to be, and deserves to be, far-reaching."—Walter Lowe, *Journal of Religion*
