Got Luck Michael Darling

Police-officer-turned-private-investigator Goethe "Got" Luck is known for rolling with the punches and never taking anything too seriously. When he picks up a seemingly dead-end murder case, his life begins to take a crazy turn. Shot at, chased by people he has never met, and attacked by an invisible liondog, Got quickly learns that there is more to this world than meets the eye. He discovers the Fae. The Eternals. They who dwell in the Behindbeyond. Once, they ruled over ancient realms, but over the centuries, their power dwindled. Now someone wants to restore their rule and subjugate humankind. All it will cost is thousands of human lives. The clock is ticking. Getting the world out of this one will take a couple friends, more than a few well-placed insults, and a whole lot of Luck.
