Paranormal Romance: Bite Of A Vampire (Volume 1) Anna Belsky

I never was a romance novel kind of girl, maybe that's why I decided to get in the business of proving that love was meant to be unfaithful. Call me bitter but my full name is Emily Johnson, and I work as a private investigator for Jonesville Extramarital Affairs. It's my daily job to investigate, snap photos of and usually proves that a spouse has found someone else to dilly-dally with. It was a bit of a dream job after having my own respect and dignity broken so many times in college by a guy named Robert, Bob for short. I don't hold a grudge against him, he was my first, and he taught me that love relationships are not really things that exist. My best friend Abby doesn't believe me so I decided to prove my point and become a Private Investigator.

On this night Emily's world turns upside down when she comes across a vampire attacking one of her investigations. She is swept into a world of the supernatural and must draw from all her experiences as Private Investigator to survive... or so she thinks until she meets Michael.
