**Off the ice and into the FIRE...**

– LIAM –

*Hometown boy makes good. High school hero becomes NHL star. All of my dreams came true. So why don't I feel happy?*

I'm on the road a lot, with a new groupie in my bed at a different luxury hotel every night. But all I can think about is my sister's best friend, Maddie. She's the only woman who ever meant something to me. **And, God, was she sexy back in the day. I can still feel her wrapped around me.**

– MADDIE –

**It feels like everyone left me behind.** All my old friends have families and impressive careers. I've seen Liam's games on TV since he went pro. Of course, he's as scorching hot as ever. **I just can't get him out of my skin.**

I'm still working my high school gig at the local greasy spoon, plus another job to support my daughter. Don't get me wrong. Bridget is my world. But I wish I had a strong man to share my life with. I don't know if I can do it alone anymore, **or keep the secret I've been hiding for FOUR YEARS...**

**AUTHOR'S NOTE:** This book also includes **8 BONUS STORIES**. All stories are HEA stand-alone, so no cliff-hangers!
