This bestselling ABC book is written and illustrated for the next generation of progressives: families who want their kids to grow up in a space that is unapologetic about activism, environmental justice, civil rights, LGBTQ rights, and everything else that activists believe in and fight for. A continuous bestseller for Triangle Square, we heard from booksellers around the country who clamored for a large format edition that would appeal to children over the age of 5. This engaging book carries huge messages as it inspires hope for the future, and calls children and parents to action.
