Borrowed Pain Milind Deogaonkar

Milind Deogaonkar is a neurosurgeon born in India and practicing in United States. He has seen the physiologic, physical, personal, social and emotional aspects of pain in his professional and personal journey. Whether it is a collective sorrow or individual pain it always poses a question to him, why? Charting his way through life he has tried to stop and think the rationale behind our existence and the pain associated with that existence. These are some wordscapes that catch the essence of those questions while hurrying through the hurtling pace of life leading to ultimate nirvana.
